AMENDMENTS TO THE ABSTRACT OF THE DISCLOSURE

Please replace the Abstract of the Disclosure at p. 22, lines 1-5, with the following

new Abstract of the Disclosure:

ABSTRACT OF THE DISCLOSURE

A method and computer program product for controlling a configuration of a printer. The printer receives a request for a printer control interface and sends the printer control interface to a remote computer. The printer then receives a series of printer control parameters, and updates a control memory of the printer based on the series of printer control parameters.
